.....

**SPEED LIMITS: Strictly enforced by City of Tampa Police Department.**

**LAZERDATA SYSTEM:**

1. **REDUCE** speed as you enter scanner lane.
2. Maintain a distance between your vehicle and the scanner of 3 to 4 feet.
3. Maintain proper distance when entering behind another vehicle.
4. Only **ONE** vehicle allowed through gate at a time.
5. Tailgating may result in gate closure on your hood or windshield. Hunter's Green Community Association, Inc. will accept no responsibility for damage incurred as a result of tailgating. It is the driver's responsibility to see that the gate arm is in full upright position before proceeding.
6. Label must be applied to the vehicle by an authorized representative of H.G.C.A. – no exceptions permitted. If label is mounted on a window that you normally roll down, be **sure** window is all the way up before approaching scanner.
7. Do not stop to speak with the gate attendant once you have passed the scanner.
8. If you sell or trade your vehicle, you **must** notify the H.G.C.A. office (813-991-4818 or hgca@huntersgreen.com). Average life expectancy of barcodes is 12 – 18 months and varies subject to environmental conditions. A replacement barcode may be purchased at the H.G.C.A. office during designated days and times. Barcode labels not read by the System during a seven (7) month period will be deleted from the system. Once deleted the bar code label cannot be re-instated.
9. Bar code labels may not be transferred.
10. Labels issued for Club Members (non-resident) have limited hours of access.
